Introduction.

The firm so well and favorably known throughout the world as the "STANDARD STAMP COMPANY" is now incorporated under the State Laws of Missouri with an authorized paid-up capital of $25,000.00.

The business is under the direct management of Mr. H. Flachskamm, who is assisted by a force of from twenty-five to thirty clerks throughout the season. It was founded by him in 1885 and has since enjoyed a prosperous and steady growth from year to year.

The STANDARD STAMP COMPANY is to-day the largest retail firm in America dealing *exclusively* in postage stamps.

The firm occupies *its own building, especially built for its use*, at No. 4 Nicholson Place, and has the finest and most commodious offices occupied by any stamp firm west of New York. Several reproductions of views taken of the different departments will give our many friends and patrons an idea of the size and importance of the business which is carried on chiefly through the mails and express companies.

The firm receives one of the largest mails in St. Louis, numbering very often 800 to 1,500 letters per day. The business is so well systematized that any number of orders can be dispatched with promptness and accuracy.

We could show hundreds of others if space would permit. Besides, we think the above will suffice to prove that our STANDARD PACKETS are exactly what we claim them to be—

THE CHEAPEST AND BEST.

Although we are not a new firm and are well-known throughout the world amongst collectors and dealers to be the lowest-priced stamp firm in America, we cannot refrain from publishing SOME of the numerous letters which are daily received by us, and in which both collectors and dealers express their satisfaction at both quality of our goods and promptness in the filling of their orders. All these letters are entirely *unsolicited* and are on file at our offices, where they may be seen at any time during business hours. Unlike the testimonials published by other dealers, you will find that they are mostly of *new date*, which proves that we receive them all the time and in great numbers. Some people express their surprise as to "HOW WE CAN SELL GENUINE STAMPS SO CHEAPLY," while other dealers ask two or three times the amount for the same articles. They will understand how this is possible when we say that we are doing the *largest business of any retail stamp firm in America* and that this is our motto: "*Large sales and small profits.*" We can prove that we have more regular agents on our books and sell more packets than any two firms combined in this country. We import all of our stamps DIRECTLY, having purchasing agents employed in every country on the globe, who buy old stamps for us very cheaply. We have every facility to fill a large number of orders in a short time and our patrons may always be sure to receive goods ordered by return mail.

NOTICE.—Every "STANDARD PACKET" worth 25c or over contains a valuable coupon, which we redeem for other packets or cash, if returned in lots of not less than ten at one time.

I sold the one you sent to a young man who had bought a 1,000 variety packet for $15 in New York. He said yours was *the best*, to say nothing of the album which goes with it. I have sold another for which you have the order, and have another customer in view. Yours very truly, D. H. BACON.

The following letter is from the same gentleman, dated October 22, 1892:

STANDARD STAMP COMPANY:

Gentlemen—"INTERNATIONAL PACKET No. 21" arrived all right yesterday a. m. The *premium* which you sent with it was *very satisfactory*, while as to the packet itself. I can only say that I spent an hour or so with my customer looking over it in the afternoon, and *he and myself were delighted!* It was a *magnificent collection* for the money, and when I think what my first 1,000 stamps cost me about three years ago, I am disgusted, etc., etc.
Yours very truly, D. H. BACON.

It will be seen that the above gentleman has bought *four* of these packets so far.

LARGE VARIETY PACKETS.
